About the Members in Practice Committee

The Members in Practice Committee (MPC) is a committee constituted under the regulatory framework of the Chartered Accountants Act, 1949, within the Institute of Chartered Accountants of India (ICAI). Its primary aim is to support practitioners and firms in strengthening their practice areas through a range of initiatives. The MPC through tie-up arrangement also facilitate access to relevant tools and software that may assist in improving practice efficiency, enhancing financial management, supporting social security, and availing beneficial schemes. These initiatives are designed to offer practical support and value to members in their professional journey..

In line with the broader vision of the ICAI to develop competent and well-rounded professionals, the MPC also conducts various knowledge-building activities such as refresher courses, workshops, seminars, conferences, certificate programs, and interactive sessions. These efforts aim to enhance technical skills, encourage knowledge exchange, and promote awareness of evolving global professional expectations.
